Camp I Am Special

Purchase a Brick and help us with our Friendship Walk Campaign!

It's no secret that Camp I Am Special is a remarkable place. Since 1983, Camp I Am Special has provided life-enriching experiences for children and adults with disabilities. Campers get to experience traditional summer camp activities such as a bubble disco, hayrides, fishing, arts and crafts, and much more.

Consider participating in our **Friendship Walk** campaign. As a part of the campaign, brick pavers will be available for purchase in different sizes. These pavers will surround our new ADA compliant Aquatic Center.
